2. Add user/system variable as follows `PATH = C:\Program Files\Autodesk\Vault Professional 2017\Explorer\Fonts`

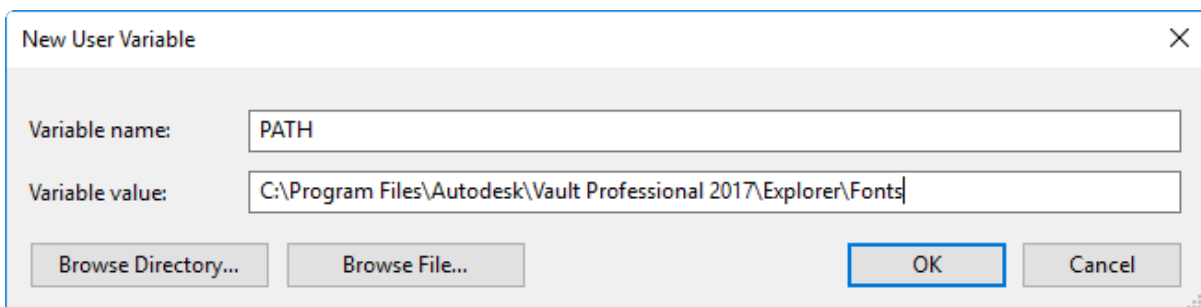

Control Panel, System, Advanced system settings

Environment Variables

New Path and OK. If PATH variable already exists, just append to existing value

About Redstack

Thinking by Design

Redstack is a leading provider of design technology and services to engineering and architecture professionals. With over 15 years of local experience, we provide the expertise, training and support to help companies realise the full power of their design technology. We partner with the world's leading providers of CAD software, hardware, 3D printers and 3D Scanners such as Autodesk, Apple, Makerbot, Ultimaker, Avitus, Maptek and IMAGINiT Technologies to provide local service with the support of global resources. These relationships allow us to deliver complete end to end solutions tailored to meet your unique requirements.
