Introduction to Autodesk Alias

Course Length: 3 days

This Autodesk Alias training course will introduce you to sketching, modelling, surfacing and visualisation tools for industrial, product and automotive design. Learn how to use Alias for concept and surface design, enabling you to create high quality CAD models using a range of tools and techniques, then export this data for use in other CAD applications. Create compelling surface designs with Alias.

Prerequisites:

Experience with Autodesk products, CAD software and design concepts would be an advantage.

Course Contents

- Introduction to Alias and the Alias Interface
- Building with primitives
- Controlling Geometry
- Dimensional Accuracy
- NURBS Introduction
- Curves and Surfaces
- Surface Tools
- Hardware Shade

Cancellation Policy

The following cancellation policy shall apply to all training and consulting engagements including customised training solutions:

Redstack reserves the right to reschedule or cancel the date, time and location of its class at any time. In the event that a Training Class is cancelled by Redstack, Customer is entitled to a full refund. Redstack shall not be responsible for any other loss incurred by Customer as a result of a cancellation or reschedule.

For Customer cancellations when written notice is received (i) at least ten (10) business days in advance of the class, Customer is entitled to a full refund of its payment or reschedule enrolment, (ii) less than ten (10) business days, Customer shall not be entitled to a refund, but shall receive a class credit to be used within three (3) months of the date of the original class.

Student substitutions are acceptable with at least two (2) days prior notice to the class, provided substitution meets course prerequisites and is approved by Redstack

For all Training orders, cancellation notices must be submitted in writing. Redstack is not responsible for any error in the delivery of the email notice. In the event of any reschedule of any training or consulting services by Customer, Redstack will invoice Customer for all non-cancellable travel expenses.
